INDIA'S LARGEST INTERNATIONAL TRADE FAIR ON ORGANIC PRODUCTS MARKS GRAND SUCCESS, CONFIRMING THAT "ORGANIC IS THE WAY"

Great opportunities for investment, exceptional business deals, remarkable number of extremely promising contacts and a fabulous platform for the Indian organic industry - these were the ingredients that crafted the 11th successful edition of BIOFACH INDIA organized jointly by the NuernbergMesse India and the Agricultural & Processed Food Products Export Development Authority (APEDA). This year's show brought the highest attendance and an active participation from every quarter, which proves that the organic industry in India is poised for great transformation in the coming years.

Mr. Paban K. Borthakur- Chairman, Agricultural and Processed Food Product Export Development Authority (APEDA), Mr. Michael Kessler - Agricultural Counsellor, Embassy of the Federal Republic of Germany, Ms. Sonia Prashar-CMD, NuernbergMesse India inaugurated the event. Other eminent dignitaries present at the inauguration included Dr. Tarun Bajaj, General Manager, (APEDA), Ms. Louise Luttkholt, Executive Director, IFOAM Organics International, Ms. Jennifer Chang - Vice President, IFOAM Organics International, Mr. K.P. Illiyas-President OFAI, Dr. Tej Pratap-President ICCOA and other industrial stakeholders.

- BIOFACH INDIA 2019 in its 11th edition sets a new record with 20% growth surge
- Success all the way: Prominent organic associations, International Federation of Organic Agriculture Movement (IFOAM), International Competence Centre of Organic Agriculture (ICCOA), Organic Farming Association of India (OFAI), Food Safety Standard Authority of India (FSSAI), Biodynamic Association of India (BDAI) and Association of India Organic Industry (AIOI) converged to strengthen the Indian organic movement
- New opportunities: 100+ international hosted buyers from over 40 countries generate great opportunities for all the organic product fanatics

KEY HIGHLIGHTS OF THE EVENT

Trade Fair: Successful participation by 196 exhibiting companies comprising of private companies, Govt. Boards, certification bodies and organized pavilions by various states of India, who displayed a wide variety of attractive products from verticals such as food and beverage, natural care & wellness, textiles, certification.

International Buyer's Delegation: 100+ international hosted buyers from over 40 countries visited the event to specifically extend their network and develop new procurement sources.

Country Pavilions: by Germany and Russia had an interesting display of organic and natural products which generated a lot of interest for the visitors at the show.

State Pavilions: Organized pavilions from several states of India showcased a wide variety of products. Major highlight at the event were the products from North-Eastern states, the new hub of Indian organic farm products.

Farmer's Market: Themed "Organic for my plate and palate".

High engagement conferences: Knowledge sessions, in addition to business and networking, scored high among the delegates' event experience. The technical sessions on the current practices/trends/challenges faced by the organic sector with eminent key national and international speakers from the organic industry were received with great interest.

"We have been participating at BIOFACH INDIA since 4 years. I believe it's a fantastic platform to get in touch with global customer base. I'm looking forward to participate in the next edition. We wish BIOFACH INDIA all the best for the next edition."

Mr. Amandeep Singh
Co-Founder, Amaara

"It's a great feeling to see BIOFACH INDIA setting a new benchmark in every edition. The current edition became more special as 100+ International buyers from more than 40 countries joined the bandwagon. There has been an increase of 17% in the total footfall. We feel extremely proud that we along with NuernbergMesse India have felicitated an ideal platform for networking with the entire organic agriculture fraternity comprising of organic product exporters, retailers, traders, processors, certification bodies and certified farmer groups."

Mr. Paban.K. Borthakur,
Chairman, APEDA

"For more than a decade, BIOFACH INDIA has been the best platform for all the organic enthusiasts not only in India but overseas as well. The ecstatic numbers of exhibitors, visitors and partners itself speaks volume about the brand. The effort put into by all the members, partners has taken it to the next level. It is not just an exhibition anymore, but a strong platform for knowledge enhancement for the MSMEs and all the aspirants."

Sonia Prashar, Chairperson of the Board and Managing Director,
NuernbergMesse India

"Pristine is proud to be here. We have been present for the last 3 years and the experience is always fabulous. We meet customers and understand what they are looking for, enabling us to innovate, bring what they want."

Mrs. Pallavi Bhardwaj
Pristine Organics

"We farm in various parts of the country and have more than 200+ certified organic products. Currently, we are supplying organic products in around 20 countries. Organic industry in India is growing at a very good pace, the best part is now a days people asks for where it comes from rather than just buying which means consumer is more aware about the product. With the online penetration and better transportation services, the reach has increased.

Mr. Siddharth Sancheti
Director, Agronic Food
